PARTNER WITH HEPHZIBAH 62:4 IN A NEW LOCATION!

*For many years leading up to the transition to the decentralized ministry of Hephzibah62:4, thousands of donors, volunteers and staff members enjoyed meaningful connection with a physical place that was set aside for God's work for that season, Hephzibah Children's Home. **The Hephzibah Legacy Grant** provides a new place to which Hephzibah62:4 Partner Churches can send teams, develop long-term supportive relationships, and invest in the work of transforming the lives of vulnerable children.*

An essential and effective Wesleyan ministry, **CityBridge** is an outgrowth of Core Church in Charlotte, NC that partners with five struggling schools within a 2-mile radius. This primarily African American neighborhood is a pipeline to generational poverty and prison. Now more than ever, CityBridge's after-school enrichment program presents vital opportunities to transform generations of neighborhood families.

WE NEED YOUR CHURCH! Support Churches may invest through:

- **Vision and work trips** to serve alongside Core Church/CityBridge and engage with the children and youth on the west side of Charlotte
- **Prayer and financial** support
- **Recruitment** of virtual tutors and reading buddies
- **Special projects and donation drives** to engage your church and support Core Church/CityBridge
 - Reading material for K-5
 - School and craft supplies
 - Healthy snack items
 - Treasure Box rewards

Core Church/CityBridge was selected to receive a one-time **Hephzibah Legacy Grant** and a one-year commitment from Hephzibah62:4, to seek and facilitate Wesleyan support church partnerships that will help them develop strong and sustainable ministries.
