## Church Plant Grant

Hephzibah62:4, in partnership with the Church Multiplication Collective, has designed our Church Plant Grant process to equip your church plant with the tools you need to create, grow, and sustain effective ministry to vulnerable children in your community. Qualified and approved church plants are eligible for up to \$9000 in ministry grant funding, paid in three annual installments.

### Basic requirements to apply:

- Church plant must be registered with The Wesleyan Church, have met all the requirements, and been approved for, or previously awarded, the Church Multiplication Collective's Startup Grant.
- Church plant must be no older than 36 months past official launch date, at time of initial application.
- Leader/s must demonstrate a commitment to organized, ongoing, hands-on ministry to vulnerable children in your church and community.
