## Adoption Fund

---

### Why a Wesleyan Adoption Fund?

#### The Need

Millions of orphans world-wide are trapped in a cycle of hopelessness, often without anyone to love them, protect them and care for them.

#### The Barriers

Adoption cost of \$20-30K for domestic infant or international adoption seems “financially impossible” to many Christian couples.

#### Discipleship

Adoption is evangelistic at its core, bringing the mission field home, where children are loved, cared for, and disciplined to know Jesus Christ as their Savior. By reducing the financial barrier in adoption, we are helping to place orphans of all ages and vulnerable infants, for whom birth parents choose adoption, into Christ-centered families.
