IN NORTHEAST OHIO**

## PARTNER WITH HEPHZIBAH62:4 IN A NEW LOCATION!

*For many years leading up to the transition to the decentralized ministry of Hephzibah62:4, thousands of donors, volunteers and staff members enjoyed meaningful connection with a physical place that was set aside for God's work for that season, Hephzibah Children's Home.*

**Hephzibah Legacy Partnerships** provide new places to which Hephzibah62:4 Partner Churches can send teams, develop long-term supportive relationships and invest in excellent ministries dedicated to transforming the lives of vulnerable children.

An important Wesleyan ministry in northeast Ohio, **Christ Kingdom Ministries** is an extension of The Connection Church that seeks to provide support for young adults aging out of foster care and to reduce the burdens on struggling families, so parents are better equipped to meet their children's needs. By offering support groups, parenting classes, mentoring, and tangible items, this ministry's goal is to change communities from the inside out through the love of Christ.

### **WE NEED YOUR CHURCH! Support Churches may invest through:**

- **Vision and work trips** to join The Connection Church/Christ Kingdom Ministries in serving and engaging with aging out youth and families in Northeast Ohio
- **Prayer and financial** support
- **Special projects and donation drives**, to engage your church and support The Connection Church/Christ Kingdom Ministries:
  - Clothing
  - Non-perishable food items
  - Essential care items
  - Ask about additional needs and opportunities

**The Connection Church/Christ Kingdom Ministries** was carefully selected for a Hephzibah Legacy Partnership. This partnership includes a three-year grant commitment, equipping opportunities for their church and ministry leaders and volunteers, and assistance from Hephzibah62:4 to seek and facilitate outside Wesleyan church partnerships that will help strengthen and sustain their ministries. **Visit [hephzibah.org](http://hephzibah.org)** for the latest information on Hephzibah62:4 partnership and grant opportunities.
